

JOSH PULATTIE

TECHNICAL TRAINER | API INTEGRATION SPECIALIST | DEVELOPER
JAVASCRIPT - PYTHON - C - SQL

940-390-0750 | jpulattie@gmail.com | joshpulattie.vercel.app | github.com/jpulattie

Computer Science graduate with experience in API integration, software development, and SQL reporting. Lead client training on technical solutions, build Next.js and React applications, and teach advanced SQL queries on IBM DB2. Proven ability to simplify complex technical concepts, build software and web applications, improve efficiency, and support data-driven decision making.

TECHNICAL SKILLS

- **Languages:** Python, JavaScript, C, C++, Java, SQL (MySQL, IBM DB2)
- **Frameworks/Libraries:** Node.js, Next.js, React, Django/Flask
- **Tools & Technologies:** Git, APIs, npm, Agile/Scrum, AWS/Amazon S3
- **Databases:** MySQL, IBM DB2

PROFESSIONAL EXPERIENCE

Technical Trainer - Corelation

Jun 2024 - Present

- Delivered client training on company APIs, providing hands-on instruction and integration best practices
- Built sample web applications and automation scripts with Next.js to showcase real-world API workflows
- Trained clients to write and optimize SQL queries on IBM DB2 enterprise databases for reporting

Computer Science Teacher & Coach - Paschal High School

Jun 2023 - Jun 2024

- Taught Computer Science I-III, guiding students through Python, Java, and software development fundamentals including algorithms, object-oriented design, and problem-solving
- Led the 2024 Women's JV2 basketball team to a District Championship as Head Coach, fostering teamwork, discipline, and competitive success

Computer Science Teacher & Coach - The Colony High School

Jun 2015 - Mar 2020

- Taught Computer Science I & II, delivering instruction in Javascript, Java, and software development
- Managed the team website and produced digital/video content to boost program visibility
- Won three District Championships across multiple sports
- Organized and executed weekly training plans for 100+ athletes, driving performance at scale
- Coached players who achieved national recognition, including two current NFL starters

Teacher & Offensive Coordinator - Life High School

Mar 2020 - Jun 2021

- Directed team performance and drove process improvements to achieve operational goals
- Planned and executed strategic initiatives, ensuring alignment across priorities and deliverables
- Led a high-performing team in a competitive, results-driven environment

Other Professional Experience

- Lights in the Heights | Founder | Sep 2022 - Present
- Kennedale High School | Computer Science Teacher | Jan 2023 - Jun 2023
- Churchill Mortgage | Marketing Manager | Jun 2021 - Sep 2022
- North Crowley High School | Teacher & Coach | Jun 2013 - Jun 2015
- Decatur High School | Teacher & Coach | Jun 2012 - Jun 2013
- Colleyville Middle School | Teacher & Coach | Jun 2011 - Jun 2012

EDUCATION

Oregon State University Bachelor's of Computer Science - Summa Cum Laude - 3.95 GPA

2023 - 2025

East Central University Bachelor's of Communication

2005 - 2009
